

**Margaret Murray**  
**Chief Executive Officer, ACAP**

As the founding CEO of the Association for Community Affiliated Plans (ACAP), Ms. Murray has led the organization since its inception in 2001, steering it through tremendous growth from its origins as an Association of 14 community health center-owned plans to 34 safety net plans, covering over 4 million people on Medicaid and Medicare. ACAP's mission is to represent and strengthen not-for-profit, safety net health plans as they work in their communities to improve the health and well being of vulnerable populations.

Ms. Murray is a national expert on health care policy for low income people and is a frequent speaker on these issues at national conferences and in the media. She has also published several articles on the German health care system as a result of an Alexander von Humboldt fellowship in Berlin.

Ms. Murray received her MPA from the Woodrow Wilson School of Princeton University and her B.A., cum laude, in Economics and Classical Civilization, from Wellesley College.

Prior to leading ACAP, Ms. Murray was the Medicaid Director for the State of New Jersey and oversaw the expansion of the FamilyCare program to cover all children under 350% of poverty. She was also a senior budget analyst for the U. S. Office of Management and Budget, with responsibility for negotiating the budget neutrality agreements for Medicaid managed care waivers. She was recently appointed to the Maryland Community Health Resources Commission and has served on the board a Community Health Center in Southern Maryland.
